Water Absorption	<0.20%	ASTM C373
Scratch Hardness	7	Mohs Scale

Wet Dynamic Coefficient of Friction Range

Unpolished	0.50 - 0.60	AcuTest sm
Semi-Polished	0.42 - 0.52	AcuTest sm

Shade & Texture Index

Shining Star has a shade variation of V3

This porcelain tile product is produced with a V3 variation. Expect that the amount of color and texture on each piece may vary significantly. Inspect the product upon delivery and for best results, blend tile from several cartons during installation.

Recommended Uses

Shining Star is recommended for interior floors, walls, counter tops and exterior walls in both residential and commercial applications. **If an offset pattern is required for tiles 18 inches or longer, PIXL recommends an offset of not greater than 33%.**

Easy-Clean Surface

This PIXL porcelain tile includes a proprietary surface finish that imparts a subtle glow, enhancing the color of the tile and allowing many stains and scuff marks to be easily wiped off the surface. This extraordinary finish helps keep your living areas looking their best.
